

# HUME CITY COUNCIL HIJABI GIRL BOOK LAUNCH

**Hume Libraries will host the book launch of *Hijabi Girl*, a story of a feisty young girl in a hijab with a mission to start her own Aussie Rules football team in her school.**

Listen to co-authors Hazel Edwards OAM and Ozge Alkan discuss how the book was born out of a request for a 'fun' story about a girl in a hijab for book week parades, and watch illustrator Serena Geddes perform 'live scribe' for the audience.

Hazel is no stranger to the world of publishing, being the esteemed author of over 200 books, including popular titles such as *There's a Hippopotamus on Our Roof Eating Cake* and *Misfit*.
