‘Not Just a Piece of Cake; Being an Author’

Couldn't Put It Down

" When I first picked up this book, I hadn't read anything for ages, I had almost gotten out of the habit, if you know what I mean. Picking up to start something, putting it down, coming back to it, trying again...

NOT SO WITH THIS BOOK. Could not put it down. I was engaged from start to finish, quickest book I've ever read and one of the rare few I will be reading over again and gifting to my nearest and dearest. Thank you Hazel Edwards for sharing this look inside your life and being such a generous inspiration to so many.
