

T for Title Story:

15 minute challenge.

Who is your favourite author?

What are the names of that author's books?

Link up the titles of that author into a story.

You can add words like 'But' or 'And' but your story should make sense just from the titles.

You're allowed to be a bit quirky in your story.

Count how many titles you can include.

You might like to add visuals of the covers.

And design a cover for YOUR title story.

Have fun.
