***Not Just a Piece of Cake: Being an Author* (2015) by Hazel Edwards**

Hazel Edwards, author of the famed picture book, *There's A Hippopotamus on Our Roof Eating Cake*, has dipped into her own life story for this engaging memoir. It has a lovely conversational tone that makes you feel like you're privy to a private chat rather than reading a book. Edwards doesn't shy away from difficult topics, presenting a warts and all story. Loved it!
